We have received your form and are currently processing the above case. If this notice contains a priority date, this priority does not reflect earlier retained priority dates. We will notify you separately about any other case you filed.

If we determine you must submit biometrics, we will mail you a biometrics appointment notice with the time and place of your appointment.

This notice, by itself, does not grant any immigration status or benefit, nor is it evidence that this case is still pending. However, this Notice of Action automatically extends the validity of your Employment Authorization Document (EAD) for up to 180 days from the expiration date printed on the front of the card and can be used for employment eligibility verification (Form I-9) purposes if:

- You have timely filed to renew your current Form I-766, Employment Authorization Document (EAD);
- Your EAD renewal is under a category that is eligible for an automatic 180-day extension (see uscis.gov/i-765 for a list of categories);
- The category on your current EAD matches the "Class Requested" listed on this notice (if you are a TPS beneficiary or applicant, your EAD and this notice must contain either the A12 or C19 category, but they do not need to match each other); and
- You do not receive your renewal EAD before your current EAD expires.

If we deny your renewal application, the automatic extension immediately ends and cannot be used for Form I-9 purposes. If your EAD is a combo card, the automatic extension does not apply to advance parole.

If we have approved or are still processing your underlying Form I-140 and your Form I-485 has been pending for at least 180 days, you may request to change employers under INA 204(j). For more information on this process, please visit uscis.gov/i-485supi.
